THE BRISTOL PUB

Greetings and welcome to the brewery!

We love beer. That's why we've been brewing and drinking it in Colorado Springs since 1994. We opened the Bristol Pub in 2013 because we wanted to create a place with a laid back, community vibe so people could get off the couch and gather together to enjoy good conversation over a pint of Bristol, with tasty, wholesome food to pair with it.

We're glad you're here, so hang out with us, talk with your friends, make some new ones. Let's all share some great beer and food together!

FLAGSHIP BEERS

LAUGHING LAB SCOTTISH ALE • ABV: 5.4%

Laughing Lab is our most popular brew and has won nine medals since 1994 at the Great American Beer Festival. That's because the Lab has a complex maltiness and a nutty, roasted flavor that's mildly sweet, but not too rich. Smooth and luscious!
16oz. pour | \$5 • 64oz. growler to go | \$9 fill | \$14 new

RED ROCKET PALE ALE • ABV: 5.1%

Lively and hoppy right up front, with just enough malt flavor to balance the crisp finish. Hop character comes from a blend of Perle, Willamette, and Cascade hops. Dry-hopped with Cascade for an awesome aroma.
16oz. pour | \$5 • 64oz. growler to go | \$9 fill | \$14 new

BEEHIVE HONEY WHEAT • ABV: 4.4%

In this classic American Wheat, Munich malt adds depth, while a goodly amount of wheat lightens the color and body of this tasty favorite. Local Black Forest honey adds character without sweetness. Unfiltered.
16oz. pour | \$5 • 64oz. growler to go | \$9 fill | \$14 new

MASS TRANSIT AMBER ALE • ABV: 4.7%

Based on the amber style, this is a dependable session beer that delivers superb flavor. Crystal and Vienna specialty malts give this ale its rich auburn color and easygoing nature.
16oz. pour | \$5 • 64oz. growler to go | \$9 fill | \$14 new

COMPASS IPA • ABV: 6.9%

Compass brings together copious amounts of Columbus, Chinook and Cascade hops in a tasty combination that lingers beyond the finish. Big hop flavor with malt in a nice supporting role.
16oz. pour | \$5 • 64oz. growler to go | \$9 fill | \$14 new

IVYWILD SCHOOL TROPICAL PALE ALE • ABV: 5.2%

Despite the splash of bright tangerine and grapefruit that hits you at first sip, no fruit were harmed in the making of this beer. In fact, our tropical pale ale's lush aroma and flavor is purely derived from the abundance of fruit-forward hop varieties we added late in the brewing process.
16oz. pour | \$5 • 64oz. growler to go | \$9 fill | \$14 new
